

## 2018 National Field Trial Shotgun Raffle

This year we are raffling a **Browning Citori 725 Field 20Ga with a 26in Barrel**. Whether for clays or birds the 725 is a groundbreaking advancement in Citori design with a low-profile steel receiver, and a silver nitride finish. Glossy walnut stock with close-radius pistol grip delivers a sleek and classic look. Plus the 725 showcases a mechanical FireLite trigger that offers unmatched feel and lighter pull weights.

All monies raised go to offset the costs of the NFT and benefit the WCA as a whole. All profits are returned to the WCA general fund and are used to support agility, conformation, tracking, field, etc.

This gun sells for over \$2,400.00 and could easily be sold for \$1,800.00. Use it as a fundraiser! So PLEASE I'm asking for ALL WCA members to buy at least one (1) \$20.00 book of tickets. We need everyone's support.
