

Something new from the National Show Committee

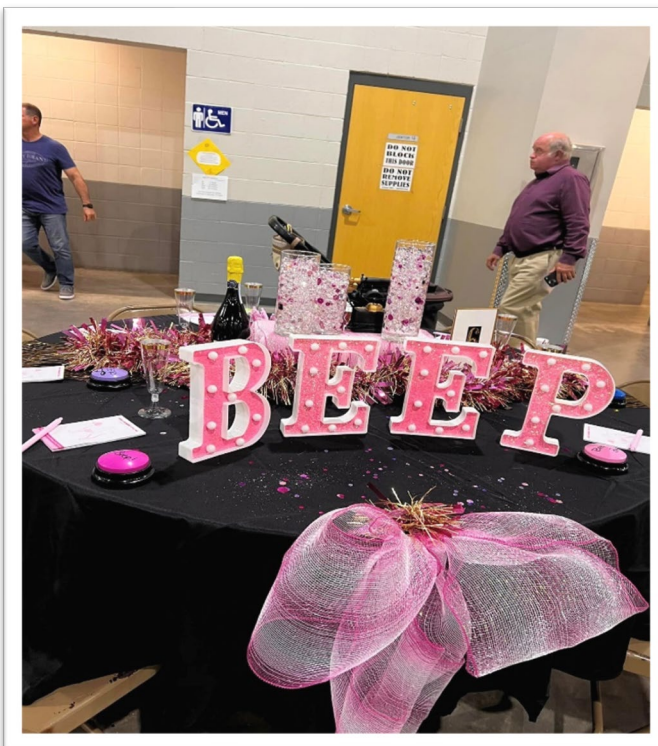

Display your creative silks and gather your friends. We will have six 5-foot round tables with 6 chairs available for reservations. The tables will be placed at ringside during setup on Monday, May 11, 2026 and remain through Friday afternoon on May 15, 2026. This will be your reserved, personally decorated table for laptops, cell phones, lunches, snacks and beverages. Each table will have a reserve sign with the group's chosen name.

You can decorate your table with tablecloths, runners, flowers, and flameless candles. Non-show pictures of your dogs, trophies, and ribbons can be displayed. Show pictures can be displayed after judging hours. The following guidelines will apply:

Will follow AKC rules for table placement. Tables cannot be moved and no chairs can be taken from ringside to be added to the tables. We have limited chairs available for ringside seating.
